All sales are FINAL on opened Beta Software.

Note:

a) For Software Packages , please Allow 2 – 3 weeks for delivery [sent via registered mail to address on Order Form].

b) You can pre-order your copy of Software Package No. 11 and 12 and will be shipped to you when it becomes available/released.

d) Seminars are special "Hands On" events based on the number of candidates that have signed up. You will be required to pay for the seminar once you receive notification that the event is running. Everyone with a "laptop" will receive a **FREE** copy of the software to use in class. No CD ROM will be given out.

e) You can request a PDF on the software to see how it looks and what it can do. Download a DEMO [restricted in numbers] to see the software. We will also **CUSTOMIZE** any of the professional packages with your own projects at a "very reasonable" rate.
